MISSOURI REGISTER
RULES & REGULATIONS

THE FOLLOWING RULES AND REGULATIONS HAVE BEEN FLAGGED FOR YOUR INFORMATION AND REVIEW. THEY WERE PUBLISHED IN THE MISSOURI REGISTER ON AUGUST 3, 2009. THIS MATERIAL CAN BE VIEWED AT www.sos.state.mo.us, ADMINISTRATIVE RULES, MISSOURI REGISTER, AUGUST 3, 2009.

Proposed Rules:

Department of Public Safety, Division of Fire Safety, Boiler and Pressure Vessel Safety Rules, Page 1570 to 1578.

11 CSR 40-2.010 Definitions.

Purpose: This amendment provides new definitions for emergency installation, labeled, listed, and pool heater, and modifies definition for CSD-1, fired jacket steam kettles and waste heat boiler to help clarify rules.

11 CSR 40-2.015 Code/Standards Adopted by Board.

Purpose: This amendment changes the code book years currently adopted by the board and adds new codes and standards adopted by the board.

11 CSR 40-2.022 Certificates, Inspections and Fees.

Purpose: This amendment clarifies the fees for types of boilers and water heaters using terminology that is more commonly used by manufacturers and changes the requirements for submitting inspection reports.

11 CSR 40-2.030 Power Boilers.

Purpose: This amendment clarifies installation requirements and brings requirements in line with the NBIC.

11 CSR 40-2.040 Heating Boilers.

Purpose: This amendment clarifies how poll heaters and fired jacketed steam kettles are classified, clarifies installation requirements.

11 CSR 40-2.061 New Installations.

Purpose: This amendment clarifies how waste heat boilers are classified.

11 CSR 45-5.100 Chip Specifications

Purpose: This amendment adds a two dollar (\$2.00) chip to the denominations authorized.
